Notes:

• Candidates should produce a valid Identity Card to the Supervisor. Only a National Identity Card, Driving License, or Passport will be accepted.

• Use of Calculators, Mobile Phones, or other Electronic equipment is strictly prohibited.

• Any form of malpractice will result in immediate disqualification.

• Candidate should enter into the College premises 30 minutes before the examination time.

• Candidates are expected to be present by the specific time in the examination hall. LATECOMERS WILL NOT BE ADMITTED UNDER ANY CIRCUMSTANCES.

• Only candidates are allowed into the Technical College premises.

• Vehicles will not be allowed to enter the Technical College premises.

• You are called for this examination only because you have duly applied. If don't possess the required pre-qualifications you will be rejected at an interview/screening which will be conducted later if you get shortlisted from the test.

• Candidates who have applied for multiple courses under 1st, 2nd, and 3rd choice preferences across different categories are required to sit for the entrance examination in each applicable category based on their selected preferences. Please refer to the relevant tables for detailed information regarding examination schedules for the respective categories.

• Priority will be given to candidates who have selected the course as their first choice during the selection process. Second and third choices will only be considered if there are vacant seats available in the relevant courses. (Candidate will be shortlisted for his/her highest order of choice based on the results of the aptitude test
